

SCRAPER-WIPER/INDOOR

The Clean Stride adhesive insert is comprised of 60 layers of adhesive coated film. Each layer will perform many times before it must be peeled away. Each layer is numbered to ensure one sheet at a time removal and to indicate the number of layers remaining.

CLEAN STRIDE

- Earth-friendly rubber backing has 20% recycled rubber content. Available in smooth or cleated backing
- 3/8" thickness. Not recommended for wet areas
- As foot traffic passes over the mat, the WaterHog™ surface scrapes larger particles while the adhesive insert captures smaller dust & dirt. With two footsteps on Clean Stride adhesive insert, over 90% of dirt particles are removed
- Clean Stride mats provide highly effective dirt and dust removal methods for factories, computer rooms, warehouses, school gymnasiums, health care facilities and more
